Everything in the book is quite beautiful!0 of 0 people found the following review helpful. Maybe if I lived in the north.By Elle BMost look too heavy for southern climates. There are two that I may make. Four stars because nothing seemed too difficult and directions seemed OK.0 of 0 people found the following review helpful. Fun variety of textures and looks!By Sharon831I was looking for new approaches to knitting projects and this book delivers. Different yarn weights in innovative looks. I immediately ordered some yarns to give a couple of patterns a try.

Featuring knitting designs for fashion-conscious stitchers, the scarf patterns in this collection are easy to make and fun

to wear. The 14 projects include Slinky, Silky Waves; Wonder and Whimsy; Bryant Park Neckerchief; Pineapple Hearts; and Meanderlust. Most projects can be finished in a couple days or even a few hours and are ideal for on-the-go crafting.

"Simple Hip Knit Scarves is really what the market needs a collection of fashion scarves to encourage the knitter to the next step." Linda Pratt, Westminster Fibers
