Erika Knight : Simple Knits for Cherished Babies before purchasing it in order to gage whether or not it would be worth my time, and all praised Simple Knits for Cherished Babies:

4 of 4 people found the following review helpful. One of my favoritesBy pamela c. shorterThis book is a great resource when one wants to knit the gift of a great, timeless classic for that special little one in their life. I often borrow this book from the library when I want to knit a quick baby gift. I had to make three baby gifts this summer and I felt that it was time for me to purchase my own copy.0 of 0 people found the following review helpful. One StarBy Drama GalNot for the beginning knitter. Expensive yarns called for -- difficult directions.0 of 0 people found the following review helpful. Simple Knits for Cherished BabiesBy Dana R. StoneCollect baby knitting books for ideas for baby gifts for the future. A well done book with many patterns.

Delightfully soft and luxurious, these charming knits for little ones will become the heirlooms of the future. Erika Knights designs use pure yarns such as merino wool, silk, and cashmere, so theyre perfect for a new babys delicate skin. Each page is full of classic items such as bootees, bonnets, cot blankets, and cardigans in carefully chosen pastels and neutrals. And the best part is, all the designs take only a weekend or less to complete!

About the AuthorERIKA KNIGHT is a highly-respected knitwear and crochet designer, as well as a consultant to the fashion and yarn industries. With her "simple" ethos, Erika has a unique interpretation of craft; her mission is to

simplify and communicate her insight and passion for knitting and crochet with accessible yet enticing projects in order to inspire everyone to experiment and, above all, enjoy creating. Erika has recently launched her own capsule collection of high-quality hand-knit yarns, which are all sheared, scoured, and spun in England. As you would expect from this talented designer, the texture and color are truly special. Erika is the author of numerous highly-acclaimed knitting and crochet books, including "Simple Knitting" and "Natural Nursery Knits".
