Nice easy projects for the beginnerBy happysshopperI look forward to making more of these as time goes by. I'm about half way through my first scarf which is also my first knook project and it's coming out fantastic! Just wish there were more patterns in the book.0 of 0 people found the following review helpful.

Five StarsBy Charlotte LybrookIt's ok, just haven't had time to learn it.

These nine beginner-level scarves by Margret Willson are quick and easy to make using the Knook. This specialized crochet hook creates true knitted fabric, while the attached cord completely prevents dropped stitches! It's great for beginners or anyone who would like to learn to knit the easy way. Clear instructions on the basic technique are provided for both right-hand and left-hand stitching, while photos illustrate each step. All the scarves feature medium weight yarn worked with the Knook in classic rib knit patterns: 2 x 2 Rib Scarf, Beaded Rib Scarf, Cartridge Rib Scarf, Mistake Rib Scarf, Textured Rib Scarf, Twin Rib Scarf, Wavy Rib Scarf, Waffle Stitch Scarf, and Knit and Rib Scarf.

About the AuthorWhen knit and crochet designer Margret Willson is in design mode, she finds everything around her inspiring, from nature and architecture to world textiles. She often works from these inspirations, attempting to recreate something she's seen. In the end, it comes down to swatching--trying different stitches, making up new ones, ripping out and trying more until the yarn whispers, "Yes, that's what I want to be".
