Margaret Docherty, Jayne Emerson : Simply Felt: 20 Easy and Elegant Designs in Wool before purchasing it in order to gage whether or not it would be worth my time, and all praised Simply Felt: 20 Easy and Elegant Designs in Wool:

0 of 0 people found the following review helpful. She really liked it. The photos are very well done By Gwen I got this for a gift for an artist-friend who does needle-felting. She really liked it. The photos are very well done; the projects look fun and open-ended. 0 of 0 people found the following review helpful. Love it. it shows all the felting techniques and ... By Customer This small book is full of big ideals. Love it .it shows all the felting techniques and is easy to follow for first time filters. The step by step instructions and drawings are very clear and really work. Very happy with my first two projects. 13 of 13 people found the following review helpful. A great book for fleece to felt use with NO knitting! By Gracespins I looked and looked for a book that would let you felt right from the fleece. This book is pretty simple and lets you just work from fleece with minimal supplies to create felt. Some nice patterns in here too. The containers on the cover are a great pattern and the explanation to create them is one that i did not find on the internet. I specifically purchased this book after seeing some of the silk guaze/ wool felted scarves at a recent craft fair, and I was not disappointed at all! The explanation for how this is done is easy! With some simple household items (ie. a bar of soap!) you can create some amazing gifts. For those of us who love felt but don't knit that great, and want the quickest

and simplest way, this book will make you adept at felting!

The fundamentals of felting including choosing fibers and colors, making flat felt and boiling felt, and stitching felt are demonstrated in 20 beautiful projects in a range of contemporary colors in this beginner's guide. Projects include a cloche hat, a child's jacket, slippers, delicate scarves, square and inlaid throw pillows, and a long-lasting rug. Each project is presented with simple step-by-step instructions, illustrations, and alternative samples and suggestions that help felters to create their own designs. Felters can bring this highly handcrafted style into their wardrobes and home decor with these simple and beautiful pieces.

"Fun for people of all ages and experience...Transform it from ordinary to something feltastic!" Country Accents
