Jane Pinder : Simply Sensational Rubber Stamping (Simply Sensational (DC)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Simply Sensational Rubber Stamping (Simply Sensational (DC)):

This is an exciting collection of innovative rubber stamped cards and gifts to tempt and inspire novice and seasoned stampers. Range of techniques discussed include embossing, fabric stamping and shrink plastic to create cards, memory-books, picture frames, jewellery and more. 22 step-by-step projects introduce materials and techniques, and extra support comes from the practical guide at the front of the book. Every project uses stamps from the authors range (including some specially produced for the book), ensuring they are always available. It also includes extra illustrated

variation designs and ideas for cards and gifts, plus handy hints and tips.

About the AuthorJane Pinder has worked in the stamping industry for over 10 years, starting her own business, The Stamp Bug, which produces and sells her exclusive stamp designs. She is editor of the UK's Craft Stamper magazine (circulation 30,000).
