Lovely Crochet Patterns for Little GirlsBy Kathryn VercilloSome of my favorite things about this book are:Clear easy instructionsUse of popular new-ish techniques including magic ring and chainless foundationsProjects that are designed for beginners but still have unique twists that make them interestingVariety of yarns used; theyre all Cascade brand but many different weights and stylesAnd of course the cuteness!0 of 0 people found the following review helpful. cute bookBy KVILLCute book but the weights are not clearly defined on each project. It only has brand names. I like to use the yarn I have on hand first and I like to see 1, 2, 3, 4 or sport, dk ect. I havent the time to serch for it yet.0 of 5 people found the following review helpful.
