Can't wait to get started!0 of 0 people found the following review helpful. NICE VARIETY OF DESIGNS AND STYLESBy MASMithMany of these designs are so striking, and the rest look pleasant enough to give as gifts. I was expecting a lot less and was very pleasantly surprised.6 of 6 people found the following review helpful. What a Fun Book!By Susan H of MNFlip through this book and you will know this is definitely not your typical runner book. The skinny quilts are designed by a number of well-known quilt designers, and as a result, there is a wonderful variety of styles and techniques taught in this book. I've already made "By the Sea" by Karen Eckmeier. The instructions are clear, the photos are wonderful, and I LOVE my finished

product. I have already purchased Skinny Quilts table runners II, and I will definitely be making more projects from these two books.

These stylish "skinny" quilts are perfect for gift giving, technique trying, and indulging creative whims. Choose from 15 projects from Kaffe Fassett, Jane Sassaman, Marti Michell, Laura Wasilowski, and many more. Display projects as table runners, wall quilts, mantel scarves--the sky's the limit! Find designs for every taste, from traditional beauties to applique wonders, plus a few artful adventures

Looking for a quick, easy gift? Or maybe something small to try a new technique? Eleanor Levie has collected projects from 15 designers that will give you some ideas. Different techniques include reverse applique from Linda Pool, circular couching from Carol Taylor, log cabin blocks from Marti Michell, crazy quilt patches and fantasy flowers from Yvonne Porcella, layered landscapes from Karen Eckmeier and a wool felt project from Elly. --The Professional Quilter, Spring 2008

About the Author Eleanor Levie has produced dozens of books and magazines as a needlework and crafts editor, with quilting as her specialty. She loves to quilt, to share new and wonderful ideas from the experts, and to inspire quilters to stretch their imaginations. She travels widely, presenting lectures and workshops for guilds and quilt shops.
