Stephanie Talbot : Slogan T-Shirts: Cult and Culture before purchasing it in order to gage whether or not it would be worth my time, and all praised Slogan T-Shirts: Cult and Culture:

Informative, illuminating, insightful and erudite, Slogan T-Shirts: Cult and Culture is completely unique. Featuring interviews with a wealth of credible fashion insiders, cultural commentators and creative luminaries, from Holly Johnson (of Frankie Goes to Hollywood) to Katharine Hamnett, it offers a multi-faceted approach to the question of what makes the slogan T-shirt so rich, layered and culturally relevant... because slogans are never simply just words; they are emotive and evocative, suggestive and provocative.Slogan T-Shirts: Cult and Culture explores the vast spectrum of slogan use on T-shirts; its function as a message delivery system; its expression as an artefact of language; and its role as an emblem of political, social, recreational and sartorial trends. The book unfurls as a cultural library of perspectives, nuanced positions and eclectic sources and each interview offers a cultural snapshot within the versatile

framework of slogan T-shirt culture. The book also glances into the inner worlds, inside stories and mechanisms of those involved in fashion, design and the production of media. Beautifully designed, visually seductive and packed with influential innovators from the last three decades, every page of this book is a source of inspiration.

Talbot's book reveals a lot to the everyday reader about the changing psychology behind fashion and the power behind the meanings that the casual wearer fails to understand. -- Barto Joly De Lotbiniere * York Vision *
About the Author
Freelance writer, stylist and creative consultant, Stephanie Talbot has studied visual theory, screen theory and architecture at post-graduate and doctoral level. She also muses about life not far from her doorstep in East London - where she lives with her beloved dog - on her acclaimed blog, www.thehouseofneonweather.com.
