1986, oversize trade paperback edition (of a work first published in 1978), Kalmbach Books, Milwaukee, WI. 50 pages. A stapled publication. Tons of black and white photos, some color illustrations. Very nice item, presenting small railroads you can build. There are 4 different layouts in a range of sizes--from a 2' x 4' layout that fits in a closet, to a walk-in design that measures 4' x 14'.
