Beverley Marshall : Smocks and Smocking before purchasing it in order to gage whether or not it would be worth my time, and all praised Smocks and Smocking:

3 of 3 people found the following review helpful. Great old stylesBy Andi98270THis book is an old book but has some very interesting designs in it. The designs are out of style but very adaptable with elaborate and interesting smocking designs. I have 100's of smocking books/patterns/plates but this one is unique in every way1 of 1 people found the following review helpful. Great bookBy JaniceAs an old hippy, this book, and the clothes in it are right up my alley!0 of 0 people found the following review helpful. Five StarsBy Lili P.Great Book
