But I cannot make them since I bought the kindle version and the patterns are not available at the link given in the book. And I definitely won't buy them one-by-one!!! 5 of 5 people found the following

review helpful. Not your average stuffed toysBy Bonnie 52Adorable patterns, something different from the run-of-the-mill teddy bears. Clear, concise instructions, very well-written and love the photography.5 of 5 people found the following review helpful. Snug a Bug BookBy dolphyno5Super cute items, this snail is easy to make from the directions provided. I am very happy with my purchase and delivery was quick.
