It is a great book to read to your children to transition them from "believing in Santa" to "believing in the Spirit of Christmas". It really helps to keep the magic alive!8 of 8 people found the following review helpful. It brought tears to my eyes and a smile to my heart.By A Customer"so many gifts" is a wonderful story of Santa. It makes the transition from "believing" to "not believing" smooth and joyous. The story instills the spirit of Santa, Christmas and giving using a beautiful series of illustrating and words. It is truly a wonderful story to be read by adults and children alike.
