Supper funBy CustomerHave had lots of fun learning how to make my own soaps. It is endless of what you can create. I have to have gluten free products so this helps me stay healthy as well. Great to do this with the kids or friends.0 of 1 people found the following review helpful. Detailed and Easy to Follow!By brian kuhlmanWe started making soap in our house and I wanted to find more direct, step by step guide (rather than the detailed one's the wife has), I found this books method of explanation and collection of more "educational" information to be quite helpful and easy to follow (more than

listening to my wife direct me lol).Highly recommend for beginners!
