Five StarsBy Busylady1Very satisfied with purchase2 of 2 people found the following review helpful. Good soap book.By Christie Strub BiberThis book is very thorough. Almost too thorough, it is just packed with information. The charts in the back tell you everything you need to know. I can't wait to make some recipes.In my opinion, Elaine White's book "Soap Recipes" is the best for a new soapmaker. That's why I gave this book 4 stars instead of 5. Still, if this is your first soapmaking book, you'll be ok. Enjoy and

happy soap making.
