Sock Yarns have so much appeal for knitters. They come in vibrant and varied colors. They are easily stashed, taking up so little room, and can be brought out and admired intermittently. What if you don't feel like knitting socks, however? Sock Yarn Scarves offers seven scarf patterns to knit cowls and scarves with those lightweight yarns that will see you through so many seasons. Whether you want to keep warm, dress up an outfit, or add a stylish touch, these knits are small projects that are easily transportable and satisfying to knit. We know you'll find a favorite in Sock Yarn Scarves that you'll be knitting again and again, for everyone on your gift-giving list, and yourself.
