Jen Lucas : Sock-Yarn Shawls II: 16 Patterns for Lace Knitting before purchasing it in order to gage whether or not it would be worth my time, and all praised Sock-Yarn Shawls II: 16 Patterns for Lace Knitting:

54 of 54 people found the following review helpful. ... was planning on loving this book already since I love her first Sock Yarn Shawls book but this book ...By David KubitskyI was planning on loving this book already since I love her first Sock Yarn Shawls book but this book even exceeded my high expectations. There are 16 patterns in here categorized by how much yarn/size of shawl -- ranging from 1 skein of sock yarn, 2 skeins of sock yarns and more than 2 skeins of sock yarn. I want to make almost every shawl in this book! There is a lovely variety of top-down, bottom up, triangles, crescents, rectangles and circles, all over lace or just lace edging, solid color or multi colors -- I can't imagine anyone not finding something that appeals to their knitting tastes in here. Each pattern has charts and

written directions and there are plenty of pictures of the shawls so that you can see how the resulting shawl will look. Anyone interested in making some lovely shawls with their precious skeins of fingering weight yarn will not be disappointed in this book. 16 of 16 people found the following review helpful. Absolutely Stunning Designs!!! By Nimbleknots This is an absolutely stunning knitting book. This book is as delightful as Her previous book, Sock Yarn Shawls. Her skill as a knitter and her attention to detail make this a great addition to my knitting book collection. There are so many options to choose from for your next project. I have every pattern earmarked to knit. It is very Rare to get a book with so many items that catch your eye. I adore the fact that she has created different sections from small shawls to the larger, gorgeous pie shawls. I am now in the dilemma of figuring out which one I will knit first...I hope to see many future books from this great designer! 3 of 3 people found the following review helpful. Happy knitter is all about this must-have treasure! By Scarlett Wish there was another star to rate this book - it is fabulous. Clearly a 6-star rating from this knitter. I have the first Sock-Yarn Shawl I and love it. This new Sock-Yarn Shawls II is absolutely a must. I am already underway with the Sierra shawl and am making three others to include the one on the cover. Seriously over-the-top. The patterns are outstanding and offer a variety of different sizes. You even have the option of repeating charts within the patterns to customize the shawls to fit you perfectly. You will find spectacular shawls for all sizes. If you knit, or even thinking about knitting, the book is a MUST! Truly. If you don't knit at all, buy it for a friend that does. They will love you for it. Jen Lucas has definitely got-it-goin' on for certain. Grateful for her talent and her willingness to share.

Best-selling author Jen Lucas presents an all-new selection of striking patterns for luscious sock yarns, following the overwhelming success of "Sock-Yarn Shawls." Discover more designs for everyone from confident beginners to advanced knitters. Patterns range from small shawlettes to large circular shawls, and many are made from a single skein. Pretty new patterns for single-colored and multicolored shawls--enjoy lots of options! Shawl constructions include top down, bottom up, crescent, short row, and circular Begin with the basics and move on to create designs with attach-as-you-go lace borders

About the Author Jen Lucas has been knitting since 2004 and designing since 2008. Her designs include socks, shawls, and a variety of accessories. When not knitting, Jen can be found at her spinning wheel, cooking, or pinning Crock-Pot recipes on Pinterest. She lives in Fox River Grove, Illinois, with her husband, Alex.
