Wes Hayward, Doug DeMaw : Solid State Design for the Radio Amateur before purchasing it in order to gage whether or not it would be worth my time, and all praised Solid State Design for the Radio Amateur:

0 of 0 people found the following review helpful. Hands on learningBy MargieJust starting what will take months of hands on learning1 of 1 people found the following review helpful. The Best Book on HomebrewingBy GeneI've been looking for this book at a reasonable price for several years. It's the best book around for the amateur radio home-brewer.0 of 1 people found the following review helpful. very satisfiedBy Giuseppe Ascionegood book in a good shape. I bought it in USA and receiver in abou 20 days. Rge conditions are very good, just two or three pages with few rows evidentiated
