**Leisure Arts : Something for Every Season (Leisure Arts #3463)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Something for Every Season (Leisure Arts #3463):

1 of 1 people found the following review helpful. One of my favorite books!By Christina PThis book has fun, easy, good looking patterns that are easy to follow and result in great gifts and decor! It has something for everyone and like the title says, something for every season. Many family Christmas gifts have come from this book. I started teaching my daughter and a friend of mine how to cross stitch out of this book and they had no difficulty following the color and symbol patterns. Highly recommend this book for people of all skill levels.

Decorate your home for the seasons with classic designs from the popular magazine For The Love of Cross Stitch. The 57 projects in this volume include birdhouse bookmarks, a sailboat sampler, a goblin sweatshirt, and a friendly snowman.
