1 of 1 people found the following review helpful. Good meditative book By Anonymous Soul Coats book has about 65 pages for coloring. I like it so far. I've spent about 2 hours coloring and have about 1/5th of a page done so many hours of meditative coloring time, good value. One criticism is that it does have some intricate parts, so definitely more adult than for children. Highly recommended 0 of 0 people found the following review helpful. A must for holiday giving! Excellent as a spiritual coloring book. Also functions as a lovely coffee table book! By Elinor Cheung Inspiring and Beautifully illustrated 0 of 0 people found the following review helpful.
