MahapatraIt has a good coverage of history of south indian empires like Chalukyas, Cholas, Vijayanagar, Malabar etc. But don't expect a catalog out of this. The plates provided are of inferior quality and its hard to see inscriptions of a coin. Its a good book for understanding the numismatics of ancient south india.

Deals with coins from areas such as Andhra Pradesh, Kerela, Malabar, Karnataka, the Madras presidency, Travancore, Tamil Nadu, and India in general.
