Prenny Chatfield : Spencer's Story: The Spiritual Journey of a Pink Baby Elephant before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spencer's Story: The Spiritual Journey of a Pink Baby Elephant:

0 of 0 people found the following review helpful. Amazing Book for all ages By Helen Jaleski A friend introduced me to this book. It is a beautiful book. Short, sweet and so full of inspiring information that is perfect for children and those young at heart. This book will inspire you, and make you smile and touch your heart. The bonus is the beautiful, whimsical artwork. I can spend hours looking at the art, looking for all the fun things going on in the pictures. I bought a copy for my friend's granddaughter and I am so looking forward to sharing it with her. I know it is going to be one of her favorite books. I highly recommend this book, and buy an extra because you will want to give someone a copy as well. 0 of 0 people found the following review helpful. This Book Saved My Life!!! By C. J. Chatfield While I've seen many pink elephants in my time, Spencer is truly unique. Reading this book showed me that I need to accept, even

embrace, my circumstances while acknowledging that happiness is wherever you make it. Living under a bridge may not be the ideal for many but with my new-found friend, Spencer, we can endure anything. Spencer, I love you!

This is a story for children of all ages, a story about Spencer, the pink baby elephant who discovers that life is not the way he wants it to be. Spencer learns about letting go, accepting whatever happens, living in the present moment and being grateful for all that is. His transformation illustrates what's possible to all of us.

About the Author
Prentice Chatfield, MA has been counseling adults and children for 30 years. Her love of nature, art, and the study of human nature come together in this story of Spencer, the Pink Baby Elephant who undergoes an awe-inspiring transformation - whether he wants to or not. A fun read for all ages, brought to life by doodle art.
