No download and no print for coloring. Can't even be certain the samples we get are for this particular coloring book, as they're also used as samples for other coloring books. What good are they to Kindle owners...None. When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already have. WHY Not Here On ?? So-called designs look like those folded paper snowflakes our kids first tried...very simple and not much of any design I can see; just a lot of blank space. These same designs are samples used for other of Speedy Publishing, Jupiter Kids and Color Therapist coloring books...they are all the same place. 0 of 0 people found the following review helpful. I ran across this when looking for adult coloring books. With it being a kindle book it has a download link in it so I can print out the hard copies to color. I love all of the details to color. It will keep me busy for hours on end.

IMPORTANT - EBOOK edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Spirographs are hypnotic and fun once they're filled with colors! Coloring these cool pieces of art will greatly help in calming down your senses and preparing your mind to be receptive of new ideas, thoughts and emotions. Other than that, coloring helps unlock your imagination and creativity. Buy a copy now!
