It is a great book but is revised from her 1st oneBy Janice KilbournI ended up buying 3 on order, so gave 1 away for Christmas and another one to another friend. It is a great book but is revised from her 1st one, which I did see.2 of 2 people found the following review helpful. I love this book!By Kindle

CustomerI love this book!!!!!! I have both of Martha Thompson's books and have made several quilts from each of them. Sadly, I either loaned them and can't remember to whom or have lost them somehow. I am so happy that I have been able to locate copies again. They arrived in mint condition as promised!!!!!!0 of 0 people found the following review helpful. Five StarsBy Silver Fox 42love to quilt. fun to see what others are doing in quilting
