**Entrepreneur Press : Start Your Own Herb and Herbal Products Business (Start Your Own Herb Herbal Products Business)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Start Your Own Herb and Herbal Products Business (Start Your Own Herb Herbal Products Business):

0 of 0 people found the following review helpful. Book was as representedBy XsellerThe concepts and presentation are somewhat simplistic. I thought that there would be much more of a range in the various "herb business" range of possible businesses. Too much of a single focus.0 of 0 people found the following review helpful. Four StarsBy Chris ThorpeStill reading the book, came very quickly0 of 1 people found the following review helpful. Needs more topic on marketing strategyBy BFair2Good book to start with, If you're thinking about opening an Herb Business. It covers

people's experiences on how they get started on Herbs business, but not a whole lot of topic on marketing strategy. Book Packaging needs improvement. I would recommend this book to anyone who's starting out.

Make a good living naturally, growing and selling herbs and herbal products There's a huge demand for herbs and herbal products today. Cooks use herbs to enhance the flavors of their meals. Bath and beauty products use herbs for both their scents and therapeutic qualities. And herbal teas, candles, and potpourri are more popular than ever. As a result, the herb business is booming. There are lots of ways to cash in on this lucrative opportunity. You can: Sell fresh cut herbs to restaurants and markets Sell potted plants to garden centers and home gardeners Operate a display garden, retail shop and tea room on your own farm Make herbal products from wreaths to herb vinegars and sell them at farmers markets and arts and crafts fairs Best of all, your business can be as small or large as you want. You can start in a rooftop garden, a section of your backyard, an empty lot, or go all the way with your own farm and greenhouse. This essential guide not only shows you how to grow herbs, but also how to develop a wide range of herbal products you can sell to expand your business and improve profits. You'll learn everything you need to know, including expert advice on how to: Grow, harvest and package the most popular herbs and edible flowers Construct, operate and maintain your own herb garden or greenhouse Create your own herbal products, including dips, jellies, teas, dream pillows, soaps, shampoos, fragrances, wreaths, note cards, and more! Expand your business through wholesaling, mail order catalog sales, and newsletters You also get useful sample forms, a glossary, additional resources, plus step-by-step instructions, checklists, and worksheets to guide you through each step of the start-up process and help you get started making your dream of owning your own business come true.
