Calista Taylor : Steampunk Your Wardrobe: Sewing and Crafting Projects to Add Flair to Fashion before purchasing it in order to gauge whether or not it would be worth my time, and all praised Steampunk Your Wardrobe: Sewing and Crafting Projects to Add Flair to Fashion:

2 of 2 people found the following review helpful. could've been better By Timothy Phoenix This book has some good ideas but I wish it had more. Worth it at half price.

Steampunk Your Wardrobe is a step-by-step guide to capturing the steampunk aesthetic in apparel. It begins with easy-to-do projects such as embellishing existing garments, and progresses to more complicated alterations. Projects are also included for making steampunk'd jewelry and accessories. The author provides clever and eco-friendly techniques for restyling common garments into stylish steampunk attire. Readers will discover 19 simple and creative ideas for

repurposed fashion from your closet or the second-hand shop that require little to no sewing skills. This revised edition features a gorgeous new 8-page gallery of Steampunk inspiration selected by fashion designer Evelyn Kriete, a moving force behind the worldwide Steampunk trend.

"This book shows how to put together some amazing female steampunk fashions... What amazes me the most about the book is how elegant and simple looking the projects actually are."--James Floyd Kelly, Geekdad/Wired
About the Author
Calista Taylor is an author of steampunk/gaslight romances and non-fiction craft books, and also works as a book cover designer. Her self published books, *Virdis* and *Devil on a Sparrow's Wing* are available in Kindle Format on .com. When not running things over with a sewing machine or lacing herself into a corset, Calista can be found tapping away on her laptop, tormenting her characters, and riddling the streets of Victorian London with dead bodies and heaving bosoms.
