In this entirely original collection, stencil maverick Ed Roth presents 25 brand-new stencil designs from retro-cool typewriters, microphones, and roller skates to elegant leaves, birds, and abstract shapes. Ed also offers step-by-step directions for more than 20 wildly creative projects that take stenciling to a whole new level. With the help of creative friends such as Erica Domesek of P.S. - I made this and embroidery queen Jenny Hart, Ed shows how to stencil on just about anything T-shirts, leather, mirrors, food, and even hair using a variety of techniques like stitching, etching, and more. Best of all, the stencils can be used again and again: just clean, dry, and store in the handy reclosable pocket at back!
