Lucinda Ganderton : Stencil Source Book: A Collection of 200 Stencil Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised Stencil Source Book: A Collection of 200 Stencil Designs:

3 of 3 people found the following review helpful. Title Very Misleading!By CatI thought that this was a stencil book however, it a book on how to make stencils. I think that the title of the book is very misleading. I can not use this book at all. I do not recommend it unless you want to make you own stencils, but to me if you have to make your own stencils, then what is the point in buying a stencil book.0 of 0 people found the following review helpful. Five StarsBy DebAwesome0 of 0 people found the following review helpful. Five StarsBy Janice HennesseeGreat.

A collection of stencil designs to help embellish walls, floors, furniture and many other surfaces. All the necessary skills for making stencils, re-scaling and combining designs are illustrated with step-by-step photography.
