Stephanie Pearl-McPhee : Stephanie Pearl-McPhee Casts Off: The Yarn Harlot's Guide to the Land of Knitting before purchasing it in order to gage whether or not it would be worth my time, and all praised Stephanie Pearl-McPhee Casts Off: The Yarn Harlot's Guide to the Land of Knitting:

1 of 1 people found the following review helpful. A great trip to the land of Knitting!By RobinOMG! I LOVE this book, this writer, this woman! If you are a knitter, you will love this book. If you are a non-knitter, but know one (or more: we are spreading!), then I recommend this book as a guide to the World of Knitters. She makes me laugh, and feel good about my foibles as a knitter. I should be working on that hat right now....2 of 2 people found the following review helpful. Traveler's Guide to the Land of NirvanaBy live2knitWhile Stephanie seems to repeat some of her humor throughout her books, this is one of her best guides to why one should learn to knit. She answers many

questions that beginners, and experienced knitters have about this art form (and indeed it IS an art form). She gives information, and justification about why we knit. This is indeed one of her better, if not her best book. Well done, Stephanie, please keep writing. 0 of 0 people found the following review helpful. Love to knit By Customer Because I knit all the time, much of what she wrote struck a happy chord. I look forward to reading more from her. My husband enjoyed many of the excerpts I read to him and now I've passed the book on to another knitting friend.

Cast off with Stephanie Pearl-McPhee on the ultimate journey through the knitters world. Pack your crafting bag, chart a course to the nearest yarn shop, and pick your traveling companion by looking for the telltale needle holes in her purse. With wry humor and a contagiously obsessive love for everything knitted, Pearl-McPhee takes you on a hilarious tour of the Land of Knitting and introduces you to the wacky, wonderful people that choose to inhabit it.

"Her insights into the workings of a yarn-a-holic's mind are charming." Detroit Free Press (Detroit Free Press) Her insights into the workings of a yarn-a-holic's mind are charming. Detroit Free Press (Detroit Free Press) From the Back Cover 1) Pack your bags (How much yarn?) 2) Map out your course (Where's the closest yarn store?) 3) Learn the language ("Just one more row...") 4) Find your traveling buddies. (Look for the telltale needle holes in the purse) 5) And cast off with Stephanie Pearl-McPhee on a trip from which you may never return if you're lucky. Knitting's Yarn Harlot, with her wry humor and unapologetic, obsessive love for everything about this remarkable place, invites you to join her on a hilarious tour of the land, its people, customs, and culture. She tells all from unusual geographical features such as the giant stash to common ailments you may be susceptible to, like Yarnesia, Finish-It-Upitis, and the dreaded Second Sock Syndrome. Along the way, you may get lost in Stitches or engrossed by the beauties of Lace, but, whatever happens, it's sure to be the journey of a lifetime.
