I love this and all the others. They're perfect for stitching the people in your life! Highly recommended! Also sign up for the Stitch People mailing list on their website! The author/artist will send you updated and new patterns from time to time!*However please note that there are 54 pages instead of the 68 pages mentioned in the listing!*0 of 0 people found the following review helpful. Well done.By JoyEverything in this book is very well done. If you are looking for specific patterns to expand on from the original stitch people this can offer a great next step.0 of 0 people found the following review helpful. Super adorableBy joe josephThis is my third stitch people book and I'm so happy with it. It is spiral bound with smooth easy to read pages. I havent made any stitch people yet until i have all the books to use ^_^.

Expand your cross-stitch family portraits to include your loved ones in their hobby-related or professional wear for just the right touch!
