From 33 Books Co. : Stitched Postcards: Beautiful Textile Designs in Miniature Using Quilting and Mixed Media Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised *Stitched Postcards: Beautiful Textile Designs in Miniature Using Quilting and Mixed Media Techniques*:

0 of 0 people found the following review helpful. Glad I bought itBy Sew It SeamsExcellent, inspiring book.1 of 1 people found the following review helpful. ... books but this one has proved to be the best. Made lots of cards and they are a ...By SNI've seen several postcard books but this one has proved to be the best. Made lots of cards and they are a

kick. Have fun.3 of 3 people found the following review helpful. Great bookBy C. PoutasseThis book if a great book for getting you get up and go to move along. I even made unrelated projects using the technique shown. No wasted money here. As usual this product was purchased from ...I have had the best service from that anyone would imagin. Go !

This book offers a unique collection of some of the best designs in postcard-sized art (AMCs) from well-known textile designers, with everything you need to know to create your own, unique pieces.

"Make your own postcards, collect them in an album, swap them with other people and have fun using up your stash of fabrics, beads, yarns and anything else that can be stitched onto a 4"x6" rectangle of stiffened fabric." MyShelf.com
