Kate Haxell : Stitched Toys (The Craft Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised **Stitched Toys (The Craft Library)**:

These 20 inspiring projects use gorgeous fabrics and trimmings to create cuddly animals, glove puppets and beautiful embroidered dolls. * Delightful toys for children of all ages * Easy-to-follow steps, colourful illustrations and useful templates * Guidelines for simple embroidery, applique, patchwork and beading

About the AuthorKate Haxell is the author of six craft books, including *Me and My Sewing Machine* (2010) and *Twenty to Make: Bunting and Pennants* (2011).
