JoAnn Gagnon, Corrie Gagnon : Stitches and Pins: A Beginning Sewing Book for Girls before purchasing it in order to gage whether or not it would be worth my time, and all praised Stitches and Pins: A Beginning Sewing Book for Girls:

0 of 0 people found the following review helpful. Great instructions.By Accidentally AngelaI've read through the book and am planning on using it to teach one of my granddaughters to sew with it. Some of the projects are a little dated, but the sewing instructions are great. I have know how to sew forever, but I didn't know how to teach someone else the basics. This book will give us lots of things to work on together. A friend sent me information about this book, and I am very glad she did. I will update this review after I have had a chance to teach my grand some.0 of 0 people found the following review helpful. EasyBy Kenny AbbottEasy to follow instructions.0 of 0 people found the following review helpful. Great starter BookBy Holly SchomerWhether novice at sewing or teaching sewing this is an excellent

resource. Good information, illustrations, and patterns. All are included,

Stitches Pins, A Beginning Sewing Book for Girls, is a learn to sew book written for the beginning seamstress in an easy to understand, step by step format, complete with 14 projects to sew as you learn and master different sewing techniques, and all the patterns, girls sizes 8 - 16, are included.
