**Muriel L. Baker : Stumpwork: The Art of Raised Embroidery** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stumpwork: The Art of Raised Embroidery:

0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerFull of beautiful examples of a rare type of renaissance embroidery. Fascinating.0 of 0 people found the following review helpful. An ok bookBy Elizabeth BrowningThe book covers mostly victorian embroidery work. Some of the stitches interested me, though. It probably would appeal to someone interested in that era.0 of 0 people found the following review helpful. ... the stumpwork once and it was so neat and easy I had to get this book will it looks ...By Kindle CustomerI havae tried the stumpwork once and it was so neat and easy I had to get this book will it looks so easy and fun. I haven't tried it yet but im sure I will have fun with it too. I got this book on . they many more of this type.
