1 of 1 people found the following review helpful. An Eye opener for those with a Cluttered Mind on their WardrobeBy  
ianGood read on style, I love the picture of the girl stuck in her cluttered closet. I dont think anyone has a closet that  
messy, but it was still funny. One big reason why a girl will say I have nothing to wear, their closet is so unorganized  
that its makes it a lot harder to find a couple cute matching outfits that feel just right that can go with that special  
occasion that you're heading out for. From creating a capsule closet to planning everything, figuring out what certain  
clothes say about you. This book also gives you tips on how to buy clothes, when to spend a little extra on more name  
brands if you choose, and also buying the lower price ranged clothing items such as leggings, and tank tops. All in all  
a very good book. I can definitely recommend this to any girl who is struggling in making an action plan on her  
wardrobe and to take action and do something about it. Even men can also benefit from reading this book!0 of 0  
people found the following review helpful. All of the steps are helpful to taking the time to bring out the best of you  
and explain why it is important or ...By AndrewA sense of style is not about how much money you spend, and this  
book demonstrates that. With a little bit of guidance, anyone can build on their personal style from their head to their  
toes to even their home. All of the steps are helpful to taking the time to bring out the best of you and explain why it is  
important or effective. You can take it one section at a time or one chapter at a time. There are steps to take and advice  
to heed based on your own preferences or physical attributes so this is far from a cookie-cutter type of book on a  
specific style0 of 0 people found the following review helpful. It contains excellent advice! It is an easy read and  
definitely ...By Mom2threeI have been in the process of clearing out my closet for a few months now. Recently retired,  
I no longer need about 75% of the clothes that are packed so tightly in my closet that I can't find anything. I have been  
donating bags of clothes and shoes and selling a select few online. I found this book today and read it in its entirety  
this afternoon. It contains excellent advice! It is an easy read and definitely worth the Kindle price. Highly  
recommended.

Ready To Learn How to Have a Great Sense of Style and Beauty? Let me tell you this, there's no such thing as  
unattractive women, there's only lazy women. Do you want to learn about how to have a great sense of style enough  
for you to turn heads? Youve found just the book for that! Learning how to have a great sense of what to wear is not  
easy and not everyone can do it, if youre not born Coco Chanel. It requires time, money and patience. I made this  
guide to help you be the lady you deserve to be with your body in the right clothes. Youll pick it up so fast you dont  
even realize it. Ill teach you how to have a great style in order for you to shine. This is a step-by-step guide thats so  
simple its impossible to make mistakes. This guide will allow you to practice, learn, and strengthen your knowledge of  
style so effortlessly that youll wake up a new person, and with better clothes. 9 Things Youll Learn from Style 1) How  
a capsule wardrobe could benefit you 2) Why do you feel like you have nothing to wear? 3) Why plan? 4) How to de-  
junk your wardrobe 5) What certain clothes say about you 6) Scanning when shopping 7) Embracing your shape 8)  
Timeless trends that never go out of style 9) Successful accessorizing

About the AuthorShea Hendricks is a mother of two who lives to travel and to explore the world. Born and raised in  
London, Shea wanted to become a news reporter and wanted to travel abroad at a young age. Shea now lives in San  
Francisco while traveling around the world at least a few times a year. Shea believes in sharing her knowledge and  
experience with others through her writings while traveling and expanding her world view. At 48, she has accumulated  
a number of both joyous and devastating events in her life, some of which she loves to share in her books. She takes  
writing as the first thing in her morning routine and also the last activity before going to sleep. Shea has a wide range  
of interest, such as life coaching, playing board games, and doing different types of fitness training. Shea's life goal is  
to start a life coaching company that helps individuals around the world with personal and career problems.
