**Clare Youngs : Stylish Papercraft: 25 contemporary projects for your home** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stylish Papercraft: 25 contemporary projects for your home:

Customize your home and create eco-friendly craftwork with these fun and inspirational papercraft projects, made from everything from recycled newspapers and junk mail to colourful tissue paper. Step-by-step instructions and beautiful photography guide you through the process of using paper to make 25 useful and unique designs, from decorative bowls and mobiles to stunning decorations. Every design is graded in skill level so you can start simply before progressing on to the more challenging projects.

About the Author Clare Youngs trained as a graphic designer and worked in packaging for clients such as Marks and

Spencer, before turning to illustration and book jacket design. She has always had a love of craft and things handmade, and has collected paper and ephemera since childhood.
