

Stitch Celebrations Month By Month." She is bright and bold but way simpler than Donna Kooler or what I've seen so far of Jane Greenoff, yet very, very appealing. I enjoy her skill and technique and know that I will find this a workable feast for my fingers.0 of 0 people found the following review helpful. Wonderful for small projects.By D. RhodesI purchased this book primarily because I am working on a project that requires small motifs. It's full of motifs of different subjects that are very well designed - some being quite intricate. Would recommend to anyone who is looking to create their own samplers or smaller projects that require smaller designs.0 of 0 people found the following review helpful. Wonderful Cross Stitch Collection by Sue CookBy Anne of NewryThe stitch patterns are simple and easy to follow since the symbols are in color. I was disappointed to be charged \$13.30 for a book that the cover still had the Hobby Lobby clearance sticker of \$8.80 on it... that was a bummer.
