The Battle of Gettysburg was one of the turning points of the American Civil War. Refight the battle on the game table and see if you can change the course of history! These scenarios are designed to be used with almost any American Civil War regimental or brigade level set of rules. Rules are included for figures based on 20, 30, 40, 50, and 100 historic men per figure/stand. Times are given for 10, 15, and 20 minutes per game turn. Maps are in full color, as are the numerous color photographs of the modern battlefield. This book does not contain any core rules for playing miniature wargames.
