Loyce Saxton : Sunbonnet Sue Redwork Collection: For All Seasons before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunbonnet Sue Redwork Collection: For All Seasons:

1 of 1 people found the following review helpful. I love this version of Sunbonnet SueBy AndreaI love this version of Sunbonnet Sue. I think it would be cute to applique her looking like this, instead of the typical one normally seen. This book is obviously an embroidery book, and has many ideas for towels, pillows, mug rugs etc. However my only complaint and why I didn't give it 5 stars is that "they" know you will be copying, photocopying, or tearing out the designs...SO THEY SHOULD HAVE MADE THE BOOK LIE FLAT! It should be spiral-bound or stapled down the middle so you could use it flat. :o)0 of 0 people found the following review helpful. Five StarsBy Lisa vancorFast service and a great new redwork book0 of 0 people found the following review helpful. Hope to make great memories with these reminders of my grandmothers-both quiltersBy Nancy BurkHope to make great memories with these reminders of my grandmothers-both quilters, crafters and seamstresses. Both made a lot with things they had to learn

to adapt due to hard times and hard lives.

Redwork embroidery is a great craft to do while watching TV or during downtime on a trip. It doesn't require many supplies to get started, and the stitches are easy to learn. Pattern designer Loyce Saxton offers 16 Sunbonnet Sue embroidery designs with step-by-step instructions for employing them. Enjoy the delightful, nostalgic images of the character from a time when life moved more slowly. This collection includes all 16 embroidery designs on iron-on transfer sheets as well as on paper for tracing, providing crafters with options. The Redwork Basics section in the front of the book is very informative and includes a stitch guide. For beginner to intermediate needleworkers, sewers, and quilters, this book also gives 10 suggested projects for using the designs. Quilts, aprons, bibs, book covers - the possibilities are endless!

January 2015 Sunbonnet Sue is iconic. When she's done right, she's just adorable. Admittedly, there are some Sues I like better than others. The vintage, homey, sweet Sunbonnet Sue - well, she just pulls my little heartstrings. And so, there I was, a few weeks ago, meandering through new embroidery books out on the market, when my eyes were arrested by a whole redwork collection devoted to the sweet, vintage, homey Sue that I love! Sunbonnet Sue Redwork Collection offers 16 different Sunbonnet Sue vignettes. Some are a little more elaborate than others - all are Perfect Sue. In addition to the iron-on transfer designs and the embroidery itself, there are suggestions and instructions for ten projects that can be made with the finished redwork Sues. Pros Cons: Well, I can't think of any cons at all - the book gives everything it promises, and it's easy to understand, well-written, and very affordable. If you like redwork, or if you like vintage embroidery vignettes, or if you like Sunbonnet Sue - all are good reasons to love this book and add it to your needlework library! This is just a snippet of Mary Corbet's review of Sunbonnet Sue Redwork Collection. To see the whole review and others go to Mary Corbet's Needle 'n Thread Blog

<http://www.needlenthread.com/2015/01/sunbonnet-sue-in-redwork-embroidery.html> needlenthread.com March 2015 Sunbonnet Sue fans will find Loyce Saxton's Redwork Collection for All Seasons (published by Search Press) an absolute delight. The book begins with the basics of redwork embroidery, introducing you to suitable fabrics, floss, hoops and methods making it a perfect introduction to this form of embroidery. There is an illustrated stitch guide which clearly explain how to create a selection of stitches that you will need to use within the following projects and even instructions on successfully using the iron-on transfer patterns included in the book. There are a number of featured projects including a spring pillow, Easter towels, a summer tray, hot pads and gift bags. Each project is provided with clear instructions from beginning to end as well as full colour photographs of the finished products. Full patterns are included within the book both as an iron-on transfer or as a traceable pattern allowing you to choose the transfer method you prefer to use. Wonderfully put together and a fabulous bookcase addition for both beginners and experienced embroiderers alike, we think it's also a brilliant bargain too with an rrp of only GBP9.99. Make it Shabby About the Author Loyce Saxton has been an embroidery pattern designer for 16 years, and her designs have been featured in many publications. She is the founder of Yesterday's Charm, a company specializing in hand embroidery and quilting patterns. She lives in Summerville, Oregon.
