Theresa Gonzalez : Sunday Sews: 20 Inspired Weekend Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sunday Sews: 20 Inspired Weekend Projects:

7 of 7 people found the following review helpful. Mediocre with "boxy" clothing By Brandi M. Most projects in this book are very boxy looking, with absolutely no figure flattering details. The models were all relatively thin and the clothing looked like it was ill fitting on them. I would only be interested in seeing the kids items (I think both my girls are too big for those items) and one or two of the skirts for my teenager. The baby gift set seemed really unimaginative as well. The only projects I see myself remotely being interested in are the spring clean tire and maybe the bunny as a gift. Most of the patterns, aprons, etc are so simple and boxy a pattern really isn't needed for anyone with intermediate sewing skills and up. The book does have attractive photos, is well organized, and includes the patterns in a folder

instead of perforated sheets. The measurements are all in cm instead of inches. Those qualities are what got it 3 stars instead of two. 3 of 3 people found the following review helpful. NoBy ZellaA 37" bust is the largest size? Seriously? This isn't Japan . . . Also the pdf's are confusing to print out and you almost have to draw in your own trim lines. And I would much rather have printed patterns to trace, even overlapping ones, than pdf's. But I gave it two stars because some of the clothes are cute. 1 of 1 people found the following review helpful. Great Sewing Projects! By Rene McIntyre Excellent book for getting you to commit to sewing! The instructions are clear, the pictures and diagrams are helpful, and the items that you can make are inspiring.

Sunday Sews presents 20 irresistible designs that can be sewn on a weekend and enjoyed for a lifetime. Featuring minimalist style and unfussy lightweight fabrics, they are as functional as they are chic. Think drapey shift dresses, flattering tunics and skirts, tanks and tops perfect for layering, pretty aprons, go-anywhere tote bags, and gifts for children and loved ones. Step-by-step instructions and technical illustrations make construction a breeze, whatever the reader's skill level; and lush photographs showcase the finished projects in clean, uncluttered settings. Sleekly packaged and brimming with atmosphere, Sunday Sews evokes everything we love about the most relaxing day of the week.

About the Author Theresa Gonzalez is the coauthor of the sewing book *Dorm Decor: Remake Your Space with More Than 35 Projects* and the former editor of several craft magazines. She lives in San Francisco. Nicole Hill Gerulat is a food and lifestyle photographer based in Provo, Utah.
