Although it is beautifully presented and the photos are beautiful as well, there seems to be pattern errors everywhere. So far, I have made (or attempted to make) 4 patterns from this book.Without going into great detail , the round and row counts are often incorrect , and when the pattern is followed precisely, the body pattern comes out completely disproportionate to the rest of the animal.Of the 4, I am moderately happy with the Fluffy Puppy ,but even here, his body part seems to be larger than it should be.Just wanted to let people know considering how much these books cost.Lauri GManchester NHP.S. The upside to this is, if you are an experienced crocheter, you can probably muddle through most patterns and correct the patterns to ensure the animals come out right. But....you shouldnt have to do that after all the money you 've paid for the book0 of 0 people found the following review helpful. extremely pleased with this bookBy pamsthoughtsVery cute patterns, extremely pleased with this book.0 of 1 people found the following review helpful. Come and meet 35 brand-new dainty delights in Super-Super Cute Crochet, the must-have book that's packed with patterns to make a whole collection of furry friends. Each project is easy to do using just a few basic stitches, so even complete beginners will be making their own menagerie in no time. Author Brigitte Read introduces for the first time her special technique--brush crochet. Simply use a small brush on your finished toy to fluff it up and give an adorable finish. Brigitte also has innovative ideas and details to enhance the patterns, like the egg pouches for the just-hatched terrapins or the reversible bat pattern that is friendly during the day, but a vampire at night. With five chapters covering a whole range of animals, from everyday pets to the colorful and curious, there's more than enough to keep any crochet hook busy! With straightforward instructions, imaginative designs, a full techniques section, and gorgeous photography, this book is a must for anyone who loves cute, cuddly, and creative crocheting. \*Super-cute Crochet (ISBN: 978-1-906525-40-8), released in Spring 2009, already has 16,000 copies in print. \*The irresistible projects will appeal to anyone with an appreciation of cute things.
