Richard H. Bezdek : Swords And Sword Makers Of The War Of 1812 before purchasing it in order to gage whether or not it would be worth my time, and all praised Swords And Sword Makers Of The War Of 1812:

0 of 0 people found the following review helpful. Bezdek is always a great sourceBy CustomerGreat book and one of very few on war of 1812 swords. Worth the read for history buffs or sword collectors. Richard has put together the best single source for contracts, types, makers and retailers.

Swords of the War of 1812 era are highly collectable and extremely valuable today. This fascinating book is filled with little-known historical data about the men, companies and government arsenals that made, sold, stockpiled and issued swords during this often overlooked period in American armaments production.
