You can consider using vinyl as well or even upholstery material. This book is really meant to spark your creativity to design your own bags. I bought an used copy so if patterns come with this book, I am not sure. The book does provide schematics on a grid so you recreate the pattern yourself. The book is also about setting up your own bag business, as well as production options and the sale of your work. I would have loved to see more on how to price your creations. The book is still fabulous!! 1 of 1 people found the following review helpful. Bags are fun By Linda Mason Very happy with my purchase 0 of 0 people found the following review helpful. Four Stars By Barbara Semmelmann It has many amazing ideas and patterns. I will be using it frequently.

This do-it-yourself book for stylish handbags features 25 projects with more than 500 illustrations. Sewers of all skill levels will gather the information they need to create many kinds of bags, from casual to romantic, as well as ideas for jazzing up your old bags. Handbag styles include clutches, totes, makeup cases, and a roll-up pencil case. They're made with a variety of styles, including lovely vintage, charming felt, and 80s graphics designs. Chapters include adding accessories and prints to your bags, and each section ends with an interview with a handbag designer. A wealth of tips and information is also provided for adding zippers, making the perfect lining, developing your own variation of the handbag model, and enlarging and copying design patterns and templates. See how creating your own handbag can be fun and rewarding, and also fashion-forward.
