Donald FEATHERSTONE : Tank battles in miniature: wargamers' guide to the Western Desert Campaign, 1940-42 before purchasing it in order to gage whether or not it would be worth my time, and all praised Tank battles in miniature: wargamers' guide to the Western Desert Campaign, 1940-42:

From the publisher's description; ...contents include a summary of the actual campaign, illustrated with numerous maps, plus technical specifications for the vehicles, tanks, guns and aircraft used. Further chapters cover terrain, communications, visibility, navigation, firing tank and anti-tank guns, 'brewing up', air operations, the Long Range Desert Group, minefields and supply. There are also appendices on British and Axis armored formations, recognition silhouettes, armor penetration tables and the construction of various wargaming aids.
