This pattern booklet accompanies Bev's 120-minute video called Tatted Lace From Start to Finish*ing. When you buy the tape, the booklet is included. Or you may buy the booklet here separately. The 16-page booklet is full of tatting projects

About the AuthorBev learned to knit and crochet at the age of 6 and has happily pursued the needle arts most of her life. Since 1964 she has taught knitting, tatting, and crochet for retail shops and other organizations. Her designs have been purchased by needlework magazines, yarn companies and Leisure Arts. She is known for her "easy to understand" patterns as well as her relaxed and patient style of teaching. Her three craft video tapes, Knitting From Start to Finish*ing with Bev Dillon, Tatted Lace From Start to Finish*ing with Bev Dillon, Crochet From Start to Finish*ing with Bev Dillon, and the accompanying booklets, are the result of years of experience and planning. You will enjoy and appreciate the results. Bev resides with her husband in Bellevue, Washington.
