Anon : Tatting - A Fascinating Book of Delicate Lace Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised Tatting - A Fascinating Book of Delicate Lace Designs:

1 of 1 people found the following review helpful. Don't waste your money on this publicationBy Laurie EdvardssonYou can't tell from the cover but it's a reduced copy of a 23 page booklet named "Tatting", published by Paragon Publications in 1940 and AVAILABLE FOR FREE ON THE INTERNET!!!! (<http://www.knitting->

and.com/tatting/downloads/paragon1/paragon-tatting-book-1.pdf) No where in their description does it state that it's this publication. If I had known, I would not have purchased it because I already have the pdf version which has a colored cover. They took a publication that easily fits on an 8 1/2" x 11" size paper and reduced it to 5" x 8". It's extremely difficult to read. The print is so small, I can't tat from this book. It's absolutely useless at this size. 2 of 2 people found the following review helpful. Can't judge a book by its cover By Helen Nelson I'm disappointed because I have this book in another format with a different cover. I thought I was getting something new to me. I feel like I have been duped because explanations were not clear enough for what it was. 0 of 1 people found the following review helpful. Love those old 10 books! By sparkly Reprinting of an old 10 cent book with really wonderful patterns!

Tatting is a technique for handcrafting a particularly durable lace from a series of knots and loops. This fantastic volume contains a plethora of intricate and beautiful examples of tatting, with simple, step-by-step instructions. 'Tatting' will appeal to modern readers with an interest in lace, and it would make for a fantastic addition to collections of allied literature. Contents include: 'Guest of Honor', 'Lacey Enchantment', 'Lucky Gloves Edging', 'Handwork of Beauty', 'For Crisp Neckwear', 'Dress-up Hankies', 'A Useful Chair Set', 'Earrings and Collar', 'Tatted Starlight Doily', 'Flower Garden Cluster', 'Applique Your Bouquet', 'Tatted Shade Pulls', etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality, modern edition complete with the original text and images.
