**Barbara Foster : Tatting : A Potpourri of Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tatting : A Potpourri of Patterns:

0 of 0 people found the following review helpful. Five StarsBy Diana M. SpenceExcellent service.book as advertised.

This book is a gem! There are approximately 204 patters which includes tree top angel written for needle tatters, which shuttle tatters can follow. Some of the patterns date back to 1916 and include butterflies, edgings, doilies, medallions, nut cup, baskets, etc.
