Marilee Rockley : Tatting with Beads Jewelry (Annie's Tatting) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tatting with Beads Jewelry (Annie's Tatting):

1 of 1 people found the following review helpful. Great Book for Beginners.By GraehoundStraightforward designs with accompanying diagrammes make learning the art of tatting a fun and uncomplicated task. The projects included are quite contemporary and very adaptable, once you understand the basic knotting structures.3 of 3 people found the following review helpful. Five StarsBy Vikki CGreat book with fun patterns! I made some with metallic thread and it turned out really nice.1 of 1 people found the following review helpful. beautiful bookBy AnneBeautiful pattern but defenately aBeautiful pattern and have tried a few with success but this is this book is a very advanced tatting book.

Make a statement each time you wear this stunning tatted jewelry. Shuttle tatting is an old craft, and we make it easy in this book with beautiful, full-color step-by-step photos, diagrams, and written instructions. Included are four

necklace earring set designs, all using size 10 crochet thread and beads.

Tatting meets beadwork and the result is four beautiful jewelry sets. This is a pattern book only; tatting instructions can be found elsewhere but several levels of expertise are catered for including beginners. The lacy style manages to be modern and vintage at once, and is a great way of using up odd beads as well as scraps of lace and chain. Each project has a large photograph of the finished pieces being worn as well as a list of what you need, sizes and difficulty rating. Instructions include photographs and drawn diagrams as well as well spaced written steps but are not as beginner friendly as Search Press' usual step-by-step style. However, anybody who is confident in at least the basics can make these very attractive sets that comprise necklace and earrings, in one case with a bracelet too. At the back is a page of abbreviations, and there are few useful tips as well scattered around in the instructions. This is an attractive pattern book that is sure to be used many times myshelf.com About the Author Marilee Rockley has been a driving force in modern tatting. Her designs, which have appeared in various magazines as well as her book *Tatted Jewelry*, make this Victorian art accessible to modern tastes. As a go-to source of information about tatting history and methodology, Marilee is on the forefront of the tatting revival. She also dyes her own tatting threads so that she can control color and create visual interest that can't be found in commercial threads.
