Chris Franchetti Michaels : Teach Yourself VISUALLY Jewelry Making and Beading before purchasing it in order to gage whether or not it would be worth my time, and all praised Teach Yourself VISUALLY Jewelry Making and Beading:

0 of 0 people found the following review helpful. Kindle Edition of Jewelry Making BeadingBy J. M. KahnI purchased a hard copy at a store and I just found it as a Kindle edition. The Kindle version isn't as good. The hard version has an appendix which alphabetically lists everything in the book. The Kindle version doesn't seem to have it. Which makes it tedious to find a certain stitch. So I returned the Kindle version right after I purchased it. The hard version has everything. And I recommend that version.2 of 2 people found the following review helpful. Great and thorough resource!By LPerkReally helped me grasp the basics. I love the many photos that clearly demonstrate techniques. Great beginners guide to jewelry making!1 of 1 people found the following review helpful. Nice Birthday giftBy NekoBirthday gift. Like it so much I will be ordering another book just for me.

You've probably coveted jewelry you've seen in artsy boutiques and fashion magazines or envied friends who have the perfect bling to accent everything. With this book, you'll learn to craft designs that are chic but inexpensive. With hundreds of detailed photos, this book covers tools and supplies, bead stringing and weaving, wire wrapping, and more. Terrific projects will get you started and inspire you to create your own jewelry and beadwork designs. Concise two-page lessons show you all the steps to a skill and are ideal for quick review. Each skill or technique is defined and described. Detailed color photos demonstrate each step. Step-by-step instructions accompany each photo. Helpful tips provide additional guidance.
