Gabriele Grnebaum : Techniques for Marbleizing Paper (Other Paper Crafts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Techniques for Marbleizing Paper (Other Paper Crafts):

0 of 0 people found the following review helpful. Just OkayBy Laurie J. JacksonFor the limited information I could find on marbelizing. This book is missing key information like the measurements of the sizing.2 of 2 people found the following review helpful. Concise and readableBy chamgirlThough I am learning to marble on fabric, this book provided simple and easy-to-follow instructions on a number of classic marbling patterns that I haven't been able to find elsewhere, as well as a great introduction to the art of marbling itself. I have used it as a reference several times now.0 of 0 people found the following review helpful. This is a very good book teaching techniquesBy C. HankinsThis is a very good book teaching techniques. My high school age daughter used it and did wonderful work as

a result.

Noted expert provides detailed instructions on every aspect of the marbling process: selecting a workplace, tools, paper, colors and glue, more. Also, specific techniques for creating 12 striking papers: Turkish, Japanese, comb, wave, and zigzag patterns. Ideal for decorating books, boxes, lampshades; creating wallpaper, greeting cards, wall hangings; more. List of suppliers.
