Little more difficult than expected and the kit doesn't have ...By MichaelLittle more difficult than expected and the kit doesn't have everything you need and I didn't have the needed materials just lying around so had to postpone project which upset my daughter.

This awesome boxset comes with all the materials and instructions you need to make a Teenage Mutant Ninja Turtle. You can swap its mask and weapon to make it Leo, Raph, Donnie, or Mikey! The craft is simple but fun, and can be completed by a child with just a little help from an adult. A 48-page book contains step-by-step instructions with illustrations, plus epic activities!
